IMPACT OF COVID 19 AFFECTING OUR SERVICE DELIVERY

To All Our Customers and Business Partners

As the current COVID 19 situation around the world do not seems to be abating and might get worst overtime, as a result, it will invariably affect the service delivery particularly in the Supply Chain.

We regret to inform that should our Service Delivery be affected in terms of delays and not meeting the delivery schedules, please accept our apologies. Please be assured that we shall endeavour to do our utmost in meeting our service delivery schedules and your needs.

We hope that the COVID 19 situation will subside in the near future and looking forward to your continuous patronage in our services.

Thank you.

With best regards,

Shuji Yamauchi
Managing Director
